

Leadership Update: TJC's Challenging & Complex Standards

Program Overview

The Joint Commission leadership standards are the same for healthcare facilities across the spectrum. There are renewed and even greater expectations of these leaders. We will review the challenging TJC standards, as well as discuss the upcoming expectations.

Program Objectives

At the completion of this program, the participants will be able to:

1. Discuss The Joint Commission leadership standards.
2. Identify and emphasize challenging standards.
3. Describe examples of best practice.
4. Discuss the new expectation that leaders are accountable to lead their organization into a high reliability healthcare organization.

About the Speaker

In addition to being president of her own company, Sandra McRae brings outstanding experience as a nurse executive, administrator, and risk manager. She also has experience in patient safety and performance improvement. Sandra is the Clinical/Joint Commission Consultant for the Florida Hospital Association. Sandra has been Director of Hospital Education and Research; Nurse Executive and Vice President of Performance Improvement and Clinical Services. She has published "Patient Care Trainee-Educational Employment" and her research has included a grant from Abbott Laboratories. Sandra has no real or perceived conflicts of interest that relate to this presentation.

Who Should Attend

This program is for all levels of leaders within your healthcare facility, including CEOs, COOs, CNOs, CMOs, HR directors, all outpatient and inpatient hospital leadership, nursing leadership, department heads, accreditation, Joint Commission coordinators, performance improvement directors, risk managers, compliance officers, and nursing home administrators.
