

Courageous Conversations: When the Going Gets Tough, the Tough Get Talking

Program Overview

Being able to have effective conversations in our organizations improves relationships and creates accountability. This interactive workshop is MHEI's #1 requested program and teaches skills for creating alignment and agreement by fostering open dialogue around high-stakes, emotional, or risky topics – at all levels of your organization.

Program Objectives

1. Identify when a conversation becomes crucial
2. Recognize the seven crucial conversations in health care
3. Analyze the five steps in courageous conversations
4. Demonstrate courageous conversation skills

About the Speaker

Lyndley O'Dell, MS, PHR, SHRM-CP is a healthcare human resources professional with experience in various aspects of HR including talent acquisition, onboarding, employee engagement, employee relations, performance management and organizational development. Lyndley has experience partnering with healthcare leaders and guiding them through challenging situations as well as managing an HR team. Lyndley is passionate about building collaborative relationships and offering customized strategies to help leaders and staff achieve results.

This educational activity is jointly provided by AXIS Medical Education and MHEI.
