

Women and Leadership

Program Overview

Healthcare in Maryland boasts the leadership of some very successful women. While we all acknowledge that “good leadership IS good leadership”, and gender shouldn’t matter, we do recognize the unique challenges our current female leaders have faced from the beginning of their careers. Please join us for this interesting facilitated exploration of challenges and barriers along with stories of career and personal perseverance from women in leadership who have strived and succeeded.

Program Moderators

1. Katrina Coleman, BSN, MSN - Leadership and Engagement Strategist, Maryland Healthcare Education Institute
2. Lyndley O’Dell, MS, PHR, SHRM-CP - Leadership and Engagement Strategist, Maryland Healthcare Education Institute
