## Program Overview

Preceptors take on the vital role of orienting new staff to their roles as well as onboarding new staff to the culture of the department and organization. MHEI's Preceptor Academy is designed to engage and grow current and future preceptors with key education, tools, and strategies to foster a strong preceptor/orientee relationship. During this interactive virtual training session, real-world scenarios will be used to examine adult learning principles, analyze various learning methodologies and apply strategies for giving and receiving feedback.

## Program Objectives

1. Describe the role and responsibilities of the preceptor
2. Identify effective feedback techniques for giving feedback
3. Examine adult learning principles
4. Analyze various learning methodologies

## About the Speaker

### **Lyndley O'Dell, MS, PHR, SHRM-CP, Leadership and Engagement Strategist**

Lyndley is a healthcare human resources professional with over 10 years experience in various aspects of HR including talent acquisition, onboarding, employee engagement, employee relations, performance management and organizational development. Lyndley has experience partnering with healthcare leaders and guiding them through challenging situations as well as managing an HR team. In addition to holding two HR certifications, Lyndley is also certified through ATD's Improving Human

This educational activity is jointly provided by AXIS Medical Education and MHEI.

Performance program. Lyndley is passionate about building collaborative relationships and offering customized strategies to help leaders and staff achieve results.
