## Program Overview

COVID-19 has disrupted our worlds in many ways, one being we may now be navigating telework and leading our team remotely. Our prior "normal expectation" of connecting with staff in-person each day looks different in the virtual world and can create opportunities as well as challenges for leaders and staff.

In this engaging and interactive virtual session, MHEI will facilitate discussion around virtual leadership and share strategies to maintain relationships, manage performance, provide feedback, enhance communication and support teamwork in our new virtual reality.

## Program Objectives

1. Identify top disruptors that impact you and your team
2. Discuss opportunities and challenges with remote work
3. Identify at least three strategies to successfully lead a remote team

## About the Speaker

Lyndley O'Dell, MS, PHR, SHRM-CP is a healthcare human resources professional with over 10 years' experience in various aspects of HR including talent acquisition, onboarding, employee engagement, employee relations, performance management and organizational development. In addition to holding two HR certifications, Lyndley is also certified through ATD's Improving Human Performance program. Lyndley is passionate about building collaborative relationships and offering customized strategies to help leaders and staff achieve results.
