Program Overview

Creating a “culture of accountability” seems to be on every healthcare organization’s agenda. The results an organization achieves can be directly correlated to the level of accountability demonstrated by the members in the organization from the executive offices to the front-line staff.

During this interactive workshop, you will learn key strategies for creating higher levels of ownership and accountability that will drive optimal performance and results in your department and ultimately your organization.

Program Objectives

- Recognize why your personal level of accountability is fundamental to holding others accountable
- Identify major obstacles & concerns in holding others accountable
- Apply strategies to create a culture of accountability in your department

About the Speaker

Mark Rulle, Ed.D., is currently the president of the Maryland Healthcare Education Institute. In this role, he has developed and overseen the development of multiple programs and services designed to assist member organizations in improving their operations through excellent leadership. Prior to this position Mark was a leader in health care education having worked in hospitals developing and implementing education and organizational change programs as well as processes designed to improve all aspects of health care including delivery of services, and employee and organizational culture.
