Program Overview

Being able to have effective conversations in our organizations improves relationships and creates accountability. This interactive workshop is MHEI's #1 requested program and teaches skills for creating alignment and agreement by fostering open dialogue around high stakes, emotional, or risky topics – at all levels of your organization.

Program Objectives

1. Identify when a conversation becomes crucial
2. Recognize the seven courageous conversations in health care
3. Analyze the five steps in courageous conversations
4. Practice having courageous conversations
