Program Overview

Healthcare is in a constant state of change with advancements in technology, evolving patient expectations, workforce shortages and increasing demands for quality, safety and cost efficiency. This engaging session will equip leaders with the knowledge, tools and strategies to lead effectively in this dynamic environment.

Program Objectives

1. Examine current emerging trends impacting healthcare
2. Recognize the leadership skills and mindsets required to succeed in a rapidly changing healthcare environment
3. Develop a personalized leadership action plan to respond proactively to emerging healthcare challenges

About the Speaker

KATRINA COLEMAN, BSN, MSN

Over the past 25+ years, Katrina has consulted and coached hundreds of managers in developing and implementing key skills to create focus on achieving goals and easing their busy schedules. Katrina is a master's prepared nurse and an ATD-Certified Coach.
