### Program Overview

Employee retention begins with meaningful connection. This interactive training program equips leaders and managers with the skills and confidence to conduct effective stay interviews—intentional conversations that uncover what keeps employees engaged and what might cause them to leave. Participants will learn how to create trust-based dialogue, identify actionable retention drivers, and use stay interviews as a proactive strategy to boost engagement, morale, and organizational commitment.

### About the Speaker

**KATRINA COLEMAN, BSN, MSN**  
**Leadership and Engagement Strategist**

Over the past 25+ years, Katrina has consulted and coached hundreds of managers in developing and implementing key skills to create focus on achieving goals and easing their busy schedules. Katrina is a master's prepared nurse and an ATD-Certified Coach.

**This program has been approved for 1.0  
Category I RCEC hour, by the MD/DC Society  
for Respiratory Care.**
