Management Boot Camp

<p style="text-align: center;">July January</p> <p style="text-align: center;">BUILDING RELATIONSHIPS</p> <p><u>Objectives:</u></p> <ol style="list-style-type: none"> Analyze the impact of leader-staff relationships on employee engagement, retention, and organizational performance. Apply relationship-building and influence strategies to strengthen credibility and gain stakeholder support. Assess current relationship-building practices and develop strategies for continued growth and improvement. 	<p style="text-align: center;">August February</p> <p style="text-align: center;">FINANCE & BUDGETING</p> <p><u>Objectives:</u></p> <ol style="list-style-type: none"> Describe the importance of financial stewardship and cost containment in a healthcare environment. Apply cost-management principles to support responsible resource utilization and budget accountability. Analyze and interpret income statements and variance reports to monitor financial performance and identify opportunities for improvement. 	<p style="text-align: center;">September March</p> <p style="text-align: center;">HUMAN RESOURCES</p> <p><u>Objectives:</u></p> <ol style="list-style-type: none"> Describe the core responsibilities of human resources. Recognize key labor laws and employment regulations relevant to supervisory and management roles. Evaluate the importance of compliance in promoting a safe, equitable, and legally compliant workplace. Demonstrate leadership practices that support employees while advancing organizational goals and policies.
<p style="text-align: center;">October April</p> <p style="text-align: center;">HIRING FOR FIT: BEHAVIORAL INTERVIEWING</p> <p><u>Objectives:</u></p> <ol style="list-style-type: none"> Differentiate between traditional interview questions and behavioral interview questions. Identify behavioral interview questions that assess key competencies required for healthcare roles. Apply the STAR method (Situation, Task, Action, Result) to evaluate candidate responses in a structured and objective manner. 	<p style="text-align: center;">November May</p> <p style="text-align: center;">MANAGING PERFORMANCE</p> <p><u>Objectives:</u></p> <ol style="list-style-type: none"> Identify performance, behavior, and attitude gaps that impact patient safety, quality outcomes, teamwork, and service excellence. Apply performance management techniques to address employee concerns while maintaining psychological safety, employee dignity, and professional relationships. Develop strategies that balance accountability and support when coaching employees through performance challenges. 	<p style="text-align: center;">December June</p> <p style="text-align: center;">COURAGEOUS CONVERSATIONS</p> <p><u>Objectives:</u></p> <ol style="list-style-type: none"> Recognize the impact that avoiding courageous conversations can have on team performance, employee engagement, patient safety, and organizational culture. Demonstrate effective intervention techniques when unprofessional behaviors, communication breakdowns, or interpersonal conflicts threaten team effectiveness or patient care. Apply courageous conversation skills to healthcare scenarios involving patient safety, teamwork, service recovery, performance concerns, and change initiatives.

The Maryland Healthcare Education Institute presents Management Boot Camp

MHEI's Management Boot Camp is a six-month leadership development program designed to give that new manager the management basics; how to manage responsibilities, how to manage people, and how to manage finances.

Virtually from your office or home office!

Monthly sessions are held:

Sessions will be virtually once a month, on the 2nd Tuesday from 9:00 am – 11:00 am
